

### **note from the board**

We are so excited to present our Fall Semester issue to you all. For those who have been on this journey with us from Day 1, we appreciate you for sticking around. And for those who joined along the way, we are excited to continue this journey together. This semester marked the launch of a/squared: Phase II, a new chapter of our organization filled with fresh ideas, intentional creativity, and a new team of incredibly talented individuals. Collectively, we've worked hard to put this together as a celebration of the vibrancy of our community. As you flip through these pages, we hope you see not just the evolution of a/squared but the reflection of all the voices and perspectives that make it so special.
